

Milefield Primary School
Approach to teaching of
MFL

Intent

Our approach to the Modern Foreign Language Curriculum is taught discretely to ensure depth and rigour, whilst being underpinned by the accelerated learning approach to teaching and learning. We teach Spanish as our MFL by utilising the key concepts, principles and themes developed from the National Curriculum to create a range of progressive knowledge and skills through which the children are helped to grow and develop to succeed in 21st century Britain.

This progressive curriculum allows a purposeful way of teaching and learning, enabling us to provide a more meaningful and sequential approach to the schema for Spanish. The MFL curriculum we offer is designed to meet the needs of all our pupils by providing purposeful contexts which engage our children. It is rich, varied, imaginative and ambitious and meets the needs of individual learners but can easily be adapted for pupils with additional needs.

Through regular assessment, tasks are matched to the ability of each child through differentiated activities, providing a level of challenge that is stimulating for pupils. Key Concepts within our MFL curriculum include:

- Phonics
- Vocabulary
- Grammar within the language

At MFPS, we follow the scheme of Primary Language Network which outlines all key concepts and the sequence of learning. This supports our pupils in their acquisition of the Spanish language.

Implementation

Modern Foreign Languages is taught discretely at MFPS and it is delivered to raise interest, self-esteem, creativity and aspirations of all our children. The curriculum is rich and varied, which provides our pupils with the skills required for life in the 21st Century.

The Accelerated Learning Cycle, based on the work of Alastair Smith, is applied in all lessons. It stems from the idea of a supportive and challenging learning environment. The cycle has active engagement through multi-sensory learning, encourages the demonstrating understanding of learning in a variety of

ways and the consolidation of knowing. Ultimately, providing opportunities for children to personally develop by immersing themselves in another language and culture is at the heart of the MFL curriculum offer that we provide to the children through exploring a wide range of topics, in order to prepare them for life.

Impact

At Milefield Primary , formative assessment is ongoing throughout each lesson. It judges progress and enables teachers to make flexible adaptations to their planned teaching. Through this regular ongoing assessment, tasks are matched to the ability of each child through scaffolds, adult support and providing a level of challenge that is stimulating for pupils and questioning skills.

Alongside formative assessment, Insight is used as a summative assessment to assess foundation subjects. The analysis of data from insights, identifies any gaps or misconceptions to be addressed.

Adaptations

At MFPS our curriculum is ambitious for all pupils, including those children with SEND. Curriculum designers and teachers have high expectations of what SEND pupils can achieve and the curriculum is not diluted or unnecessarily reduced for SEND pupils. Every pupil is different and so what works for each pupil varies. Pupil's individual needs are carefully considered and adaptations are planned to ensure the success of pupils. The way that our curriculum is designed ensures that chunks of learning are sequenced in a coherent way to enable all pupils, including those with SEND, to build on prior knowledge. Cognitive overload can be a barrier to learning which is one of the reason why we have chosen half termly curriculum drivers.

Where pupils are identified with having complex needs it may be appropriate to provide a personalised curriculum which will be based on individual needs and will retain ambition for the pupil. Where working memory is an issue for pupils, including those with SEND, we look to reduce extraneous load as much as possible as well as identifying key information when teaching. Adaptations to support individual pupils will be recorded on personal school support plans.

At MFPS we do not assume that pupils with SEND learn content better through practical work as this can cause distraction and cognitive overload rather than increase clarity or accessibility. The curriculum is not narrowed for any pupils. Knowledge is taught and then pupils are provided with opportunities for scientific enquiry to test and investigate the knowledge taught. Pupils' specific needs determine the types of adaptations which are required. These adaptations are in how the subject is taught rather than the content pupils are expected to learn. Where appropriate, learning will be chunked into smaller steps and pre learning and consolidation time is planned in to support need. Time is also planned to ensure pupils with SEND are pre taught vocabulary to support their understanding. Adaptations may include supporting pupils to pay attention to key aspects as well as reducing excessive or unhelpful demands on working memory.

Example knowledge organisers

Autumn term 1
Year 6

Everyday life

Curriculum Objectives & Sequencing:

Week 1: I can recall phrases to talk about myself and my feelings

Week 2: I can give a simple description about myself

Week 3: I can remember and use numbers to 60

Week 4: I can understand "o'clock" time phrases

Week 5: I can talk about my daily routine in Spanish

Week 6: I can answer questions about my daily routine

Key Knowledge:

Numbers bank:
diez - 10
once - 11
doce - 12
trece - 13
catorce - 14
quince - 15
dieciséis - 16
diecisiete - 17
dieciocho - 18
diecinueve - 19
veinte - 20
treinta - 30
cuarenta - 40
cincuenta - 50
sesenta - 60

Fact bank:
 Numbers from 31 are form by: the ten word + and + the one word.
 For example:
 31: *treinta y uno*
 42: *cuarenta y dos*
 55: *cincuenta y cinco*
 Numbers 21-29 are also pronounced using the ten word + and + the one word. But the spelling is different:
 21: *veinte y uno* *veintiuno*
 27: *veinte y siete* *veintisiete*

Week 1: Talking about feelings

Week 2: Giving a simple description about yourself

Week 3: Numbers to 60

Week 4: Using o'clock time phrases

Week 5: My daily routine

Week 6: Answering questions about my daily routine

Autumn term 1
Year 3

A new start

Curriculum Objectives & Sequencing:

Week 1: I can pronounce some greetings in Spanish.

Week 2: I can ask and answer a question about "how I am feeling".

Week 3: I can introduce myself in Spanish.

Week 4: I can say numbers 1 to 10.

Week 5: I can recall numbers 1 to 10.

Week 6: I can say some different colours in Spanish

Key Knowledge:

Greetings bank:
Hola - hello
Buenos días - Good morning
Buenas tardes - Good afternoon / evening
Buenas noches - Good night
Hasta luego - See you soon
Adiós - Good bye

Question and Answers:
¿Cómo estás? - How are you?
Estoy bien. - I am good.
Estoy muy bien. - I am really good.
Estoy así así. - I am okay.
Estoy mal. - I am not good.
Estoy muy mal. - I am feeling really bad.
¿Cómo te llamas? - What are you called?
Me llamo... - I am called...

Grammar
 When you ask a question in Spanish you can turn a sentence into a question by raising the pitch of your voice at the end of the question.
 e.g.
¿Cómo estás?
¿Cómo te llamas?
