# Milefield Primary School

Engage; Inspire; Empower & Learn

At Milefield Primary School, we are committed to nurturing confident, lifelong learners who are proud of their heritage and ready to make a positive contribution to society. In order to achieve this, we have five key areas of experience that enrich pupil's life experiences, broaden their horizons and motivate their aspirations. By providing a rich diet of experiences for pupils as part of our school offer, we nurture the whole child and provide opportunities on the journey to adulthood.

## Lifetime Experiences

These experiences encourage pupils to build an enduring connection with the world around them, building up essential skills that will stay with them for life.

## Curriculum Focus

Educational visits have substantial benefits to the education and development of pupils. For many, they offer opportunities to enrich learning experiences.

## People and Places of Worship

Visits that build on the pupil's understanding of the range of faiths and cultures that comprise our society.

A fundamental British Value to build a mutual respect of other religions and cultures.

## Sport & Arts Performance

Attending live performances exposes pupils to new crowds and environments. It helps to develop a sense of belonging and build emotional intelligence and appreciation for performance.

## Community Links

Building community and social connections within our locality assists in boosting pupil's confidence whilst interacting with others who differ from them in age, beliefs, occupation and other ways.
