EMPOWER, ASPIRE & THRIVE

At Milefield Primary School, our pledge centres around holistic development and empowers children to grow as self-aware, empathetic, and responsible individuals who can positively influence their community and the wider world.

Through carefully interweaving and developing pupils' understanding of themselves and others we ensure every child is equipped to thrive and make a meaningful impact on society. Together, we nurture lifelong learners who embody respect, resilience, and a commitment to creating a better future for all. We do this through ensuring pupils have a wealth of opportunities and experiences which are well suited to the school's context and support them to develop their understanding of:

-Core Values

-Fundamental British Values

-Protected Characteristics

-School Ethos

We are dedicated to ensuring all pupils have expertly designed and balanced experiences, which support them to develop character traits to enable them to become respectful, hardworking and ambitious individuals.

These experiences are designed to build aspiration, tolerance and resilience and broaden pupils' horizons, opening opportunities throughout their educational journey and beyond.

Our pledge has come directly from consultation with our pupils and parents as part of our commitment to ensuring they are provided with high quality experiences and opportunities which build cultural capital and awareness of the wider world.
